Internship Start Date: 5th January 2026

Internship End Date: 05th February 2026

Internship Role: Customer Insights and Data Analytics Intern

Dear Sumaiya Tasnim,

This report is a summary of your performance during your virtual internship, prepared using your self-reflection and feedback received from your manager and peers. It provides insights into key areas where you were evaluated, helping you assess your progress throughout the internship. We hope this feedback enables you to reflect on your experience, recognize your strengths, and identify areas for improvement.

Based on the 360-degree evaluation process, the average percentages you received are as follows:

Self-evaluation Percentage	100%
Peer Evaluation Percentage	87%
Manager Evaluation Percentage	97%
Overall Percentage	95%

Index for Performance Ratings:

This table outlines the rating scale used to evaluate performance, ranging from Poor Performance to Excellent Performance. Each star category represents a level of performance, helping to standardize evaluations across the feedback process.

INDEX

Rating	Star Category
★ ★ ★ ★ ★	Poor Performance
★ ★ ★ ★ ★	Below Expectations
★ ★ ★ ★ ★	Satisfactory Performance
★ ★ ★ ★ ★	Good Performance
★ ★ ★ ★ ★	Excellent Performance

Here is the feedback on some of the core areas that you were evaluated in:

Parameter	Rating	Feedback
Mutual Respect & creating Safe space	★★★★★	You do a great job of making everyone feel respected and safe. You show empathy and handle conflicts well, contributing positively to the team's environment.
Ownership	★★★★★	You consistently take charge and lead tasks to success. Your strong sense of responsibility and ability to drive projects forward are commendable. Keep enhancing your leadership skills to inspire your team further.
Communication and Relationship Building	★★★★★	You communicate clearly and build strong working relationships. You share ideas well and collaborate effectively. Keep up the good work and continue to support your teammates.
Bringing your Brain to Work	★★★★★	You consistently offer valuable ideas that benefit the team. Your creative thinking helps solve problems, and you should continue sharing your strategies to help the team grow.
Time Management	★★★★★	You handle your time excellently and consistently meet deadlines with high-quality work. Keep refining your strategies and applying them to new tasks to maintain your strong performance.
Quality of Work	★★★★★	You rarely made errors, demonstrating good attention to detail. You provided work that met expectations with a high level of accuracy.

Personal Development:

Based on your ratings, below is your personalized development plan. It is recommended that you discuss these inputs with your manager or coach and chart out your developmental journey.

- **Mutual Respect & Creating Safe Space:** Maintain your strong communication skills and respect for others. Keep up the good work by setting goals to further deepen your empathetic skills and create an even more inclusive environment.
- **Ownership:** Keep up the good work of taking ownership of your tasks and decisions. Aim to further enhance your accountability by consistently setting higher standards and following through.
- **Communication and Relationship Building:** Your communication skills are strong; continue to maintain this consistency. Keep refining your approach by fostering collaboration and ensuring clarity in all interactions.
- **Bringing your Brain to Work:** You are doing well by bringing thoughtful contributions to your work. Keep maintaining this consistency by setting SMART goals to stay focused and look for areas where you can bring even more value to the team's progress.
- **Time Management:** You demonstrate good time management skills; keep maintaining this consistency. Continue using your effective planning methods and refine them by adding short breaks to boost your focus and productivity.
- **Quality of Work:** Great job maintaining accuracy and attention to detail! Keep up the consistency by refining your review process and continuing to deliver high-quality work.

By focusing on these areas, you can continue to grow and excel in your role. This internship evaluation report is an objective assessment based on established rubrics, providing scores and feedback to evaluate the intern's professional development during the internship period. The scores and feedback aim to offer constructive insights into the intern's performance. It is not intended to inflict personal harm, but rather to encourage growth and improvement.
